

Serene Container Gardening Club

Time: 9:30 a.m. to 10:30 a.m.

Dates: 4TH Saturday of each month

July 23

August 27

September 24

October 22

November 26

December 17 (third Saturday due to Christmas holiday)

Place: Serene Garden Decor
1607 West Canal Street
New Smyrna Beach, FL 32168
386-402-7810 serenegardendecor.com

Light refreshments will be served

The purpose of this group is to share with Serene Garden Decor container gardeners how easy it is to decorate with glazed clay pottery of all sizes, shapes, finishes and colors. Master gardeners and special horticulturists will give presentations on how to successfully container garden and share education on integrating containers into your existing landscape, developing herb and vegetable gardens or for interior decor use.

Through the Serene Container Gardening Group we will share knowledge, experience and ideas to develop and support the love of container gardening. We will be offering hands-on potting demonstrations, special purchases and most of all we'll have some fun!

A few questions so we can best meet your needs ...

What is your level of gardening experience?

What topic would you like presented or issue are you most interested in?

What are some of the hard to find garden decor items you would like to see available?

Would you be interested in having one of our design consultants meet with you?
